

Most Common Onsite Safety Topics

INSTRUCTOR-LED SAFETY COURSES	COURSE #	EXPIRATION	DURATION
Aerial Lift Safety	65207	Varies*	3 Hours
Arc Flash/NFPA 70E	574485SC	3 years	8 Hours
Back Safety/Proper Lift	65214	—	1 Hour
Bloodborne Pathogens	65003	Annually	1 Hour
Confined Space Awareness	65205	Varies*	1 Hour
Confined Space Entrant/Rescue	65311	Annually	Varies
DOT 49 CFR Hazardous Materials	652261	3 years	4 Hours
Electrical Safety Awareness	65242	Varies*	1 Hour
Emergency Preparedness	65218	Varies*	1 Hour
Environmental Safety	65264	—	1 Hour
Ergonomics	65216	—	1 Hour
Fall Protection	65206	Varies*	1 Hour
Fall Protection Inspection	652061	—	Varies
Fire Extinguisher Safety	65222	Annually	1 Hour
Forklift/Powered Industrial Truck Safety	65208	3 years	4 Hours
Forklift/Powered Industrial Truck Skills Check	652091	3 years	15 Minutes
Front End Loader Safety	65213	3 years	4 Hours
Hand and Power Tool Safety	65237	Varies*	1 Hour
Hazard Communication/GHS	65226	Varies*	1 Hour
Hazardous Waste	65262	Varies*	Varies
HAZWOPER - 8 hr, 16 hr, 24 hr or 40 hr	Varies	Varies*	Varies
Hearing Conservation	65230	Annually	1 Hour
Heat Injury Prevention and Heat Stress	65231	—	1 Hour

INSTRUCTOR-LED SAFETY COURSES	COURSE #	EXPIRATION	DURATION
Ladder Safety	65223	Varies*	1 Hour
Ladder Inspections	652231	—	Varies
Lockout/Tagout Authorized	65234	Varies*	2 Hours
Lockout/Tagout Affected	65234	Varies*	1 Hour
Machine Guarding	65236	Varies*	1 Hour
Material Handling	65238	Varies*	2 Hours
Order Picker Safety	65217	3 years	3 Hours
OSHA 10-Hour Construction	65404	—	2 Days
OSHA 10-Hour General Industry	65400	—	2 Days
OSHA 30-Hour Construction	65406	—	4 Days
OSHA 30-Hour General Industry	65402	—	4 Days
Overhead Crane Safety	65211	—	2 Hours
Personal Protective Equipment (PPE)	65240	Varies*	1 Hour
Powered Pallet Jack Safety	65215	3 years	3 Hours
Reach Truck Safety	65219	3 years	3 Hours
Respiratory Protection	65252	Annually	1 Hour
Respirator Fit Testing	65500	Annually	Varies
Safety Day	71882	—	Varies
Slips, Trips and Falls	65221	Varies*	1 Hour
Substance Abuse/Drug Free Workplace	65256	—	1 Hour
Walking and Working Surfaces	65239	Varies*	1 Hour
Workplace Violence Prevention/Active Shooter Safety	65257	—	90 Minutes
Various "Train The Trainer" Classes	65301-65313	—	Varies

Online Training: Safety Topics

WORKPLACE SAFETY

Active Shooter / Active Threat: How to Survive*	Hydrogen Sulfide for General Industry
Active Shooter / Active Threat: Organizational Preparedness & Recovery*	Hydrogen Sulfide for Oil & Gas
Aerial Lifts for General Industry	Incident Investigations for Accidents & Near Misses
Arc Flash / Arc Blast Awareness & Safety	Indoor Air Quality
Asbestos Awareness Training	Ladder Safety for General Industry*
Back Safety — Spanish	Lockout / Tagout: Put a Lock on Hazardous Energy
Back Safety: Keep Your Back In Action	Lockout / Tagout — Spanish
Bloodborne Pathogens and MRSA	Machine Guard Safety — Spanish
Bloodborne Pathogens in First Response Environments*	Machine Guarding
Bloodborne Pathogens in Healthcare Facilities	Material Handling Safety*
Bloodborne Pathogens: Safety in the Workplace	Motorized Pallet Jacks: Safe Operation*
Cold Stress	Office Safety*
Compressed Gas Cylinders	OSHA Recordkeeping for Employees
Computer Workstation Design & Use	Personal Protective Equipment — Spanish
Confined Spaces: Entry Team Training — Maintenance Activities Heat Stress	Personal Protective Equipment: Employee Essentials
Crane Safety for General Industry	Power Tool & Extension Cord Safety
Crystalline Silica for General Industry Employees*	RCRA Hazardous Waste Generator Training
Crystalline Silica for General Industry Employers*	Personal Protective Equipment: Employee Essentials
Electrical Safety: Training for Unqualified Employees*	Power Tool & Extension Cord Safety
Emergency Eyewash & Shower Use	RCRA Hazardous Waste Generator Training
Emergency Preparedness & Response	Respiratory Protection
Ergonomics: Industrial*	Safety Audits for Employees
Ergonomics: Office	Scaffolding Safety for General Industry
Fall Protection for General Industry*	Scissor Lifts for General Industry
Fire Extinguisher Use*	Slips, Trips, & Falls: Hazard Perception Challenge
Fire Prevention & Response	Stairways for General Industry
First Aid – Spanish	Step Bolts & Manhole Steps for Telecommunications
First Aid Basics	Tuberculosis in the Healthcare Environment
Forklift Training*	Walking-Working Surfaces: What Employees Need to Know*
Forklift Training — Module 1: Equipment Basics*	Walking-Working Surfaces: What Supervisors Need to Know*
Forklift Training — Module 2: Equipment Inspections*	Walkway Safety for Employees — Module 1: Foundations of Walkway Safety*
Forklift Training — Module 3: Operating Procedures*	Walkway Safety for Employees — Module 2: Hazard Recognition*
Forklift Training — Module 4: Maintaining Your Forklift*	Walkway Safety for Employees — Module 3: Hazard Prevention & Incident Response*
Forklift Training: Non-Operator Safety*	Walkway Safety for Supervisors — Module 1: Foundations of Walkway Safety
Forklift Training: Refresher*	Walkway Safety for Supervisors — Module 2: Hazard Recognition

WORKPLACE SAFETY (CONT.)

Forklift Training: Specialized Units & Attachments*	Walkway Safety for Supervisors — Module 3: Hazard Prevention & Incident Response
Forklifts: Ultimate Hazard Perception Challenge (Advanced)	Walkway Safety Program for Walkway Specialists Curriculum
Forklifts: Ultimate Hazard Perception Challenge (Basic)	Welding: Safety & Health Protections
Forklifts: Ultimate Hazard Perception Challenge (Intermediate)	Wellness and Fitness
Hand & Foot Protection: PPE Employee Essentials*	Winter Safety: Working & Driving in Snow, Ice, & Extreme Cold
Hand and Power Tool Safety — Spanish	Working with Lead Exposure in General Industry
Hazardous Substances: Incidental Spill Response	Workplace Injury & Illness: OSHA Reporting & Recordkeeping for Managers
Hazardous Substances: Spill Discovery & Notification	Workplace Safety Basics — Module 1: Work Practices*
Head, Eye, & Face Protection: PPE Employee Essentials	Workplace Safety Basics — Module 2: Work Environment*
Hearing Protection: PPE Employee Essentials	Workplace Safety Basics — Module 3: Safe Use of Equipment*
Hot Work: Safety Operations Training*	Workplace Safety Basics — Module 4: In Case of an Emergency*
Housekeeping & Maintenance	

CONSTRUCTION SAFETY

Aerial Lifts for Construction	Forklift Operator Safety Training for Construction
Caught-In or -Between for Construction	Hand & Power Tools for Construction
Confined Spaces: Entry Team Training — Construction Activities	Health Hazards for Construction
Construction Safety Basics — Module 1: Work Practices*	Materials Handling, Storage, Use, & Disposal for Construction
Construction Safety Basics — Module 2: Work Environment*	Personal Protective & Lifesaving Equipment for Construction
Construction Safety Basics — Module 3: Safe Use of Equipment*	Rigging Safety
Construction Safety Basics — Module 4: In Case of an Emergency*	Scaffolds for Construction
Cranes & Derricks for Construction	Scissor Lifts for Construction
Crystalline Silica for Construction Employees*	Slips & Trips for Construction
Crystalline Silica for Construction Employers*	Stairways & Ladders for Construction
Electrocution for Construction	Struck-By for Construction
Excavations for Construction	Trenching & Shoring (coming soon)
Fall Protection for Construction*	Working with Lead Exposure in Construction Environments

Online Training: Safety Topics (cont.)

DRIVER/DOT SAFETY

Accident Procedures: Driver Training Series	Human Trafficking Awareness for Drivers*
Air Brakes: Master Driver	Injury Prevention Around Flatbeds
Alcohol & Drug Testing: What Drivers Need to Know	Injury Prevention Around Tankers
Backing & Parking: Straight Truck Series*	Injury Prevention for CMV Drivers
Backing Techniques: Driver Training Series	Loading & Unloading: Straight Truck Series
Cargo Securement: Dry Vans	Motorcoach: Defensive Driving
Cargo Securement: Flatbeds	Motorcoach: Vehicle Inspections
City Driving - Master Driver*	Night Driving: Driver Training Series*
Coupling & Uncoupling: Double Trailers	Pattern Driving — Master Driver
Coupling & Uncoupling: Driver Training Series	Personal Safety & Security for CMV Drivers*
CSA: Know the BASICS	Prohibiting the Coercion of CMV Drivers
Defensive Driving for CMV Drivers — Module 1: Prepare	Rear End Collisions: Master Driver
Defensive Driving for CMV Drivers — Module 2: Communicate	Reasonable Suspicion Testing: What Supervisors Need to Know
Defensive Driving for CMV Drivers — Module 3: Look	Right Turns / Left Turns / Intersections*
Defensive Driving for CMV Drivers — Module 4: Manage Speed & Space Pulling Doubles	Roadside Inspections for CMV Drivers*
Defensive Driving for Light & Medium Duty Vehicles	Reasonable Suspicion Testing: What Supervisors Need to Know
Distracted Driving	Right Turns / Left Turns / Intersections*
Driver Qualification Training for Managers	Roadside Inspections for CMV Drivers*
Driving Techniques: Driver Training Series	Reasonable Suspicion Testing: What Supervisors Need to Know
Driving Techniques: Straight Truck Series	Right Turns / Left Turns / Intersections*
ELD Basics	Roadside Inspections for CMV Drivers*
Emergency Maneuvers: Driver Training Series*	Rural Driving: Master Driver
Extreme Weather Driving: Driver Training Series	Sanitary Food Transportation
Fixed Object Collisions: Driver Training Series	Vehicle Inspections: Intermodal Chassis
Hours of Service (Canada)	Vehicle Inspections: Refrigerated Trailers
Hours of Service Rules for Oil & Gas CMV Drivers	Vehicle Inspections: Straight Truck Series
Hours of Service Rules for Passenger-Carrying CMV Drivers	Vehicle Inspections: Tractor Trailers
Hours of Service Rules for Property-Carrying CMV Drivers*	Wheel Chocks & Dockboards
Hours of Service: How to Fill Out Paper Logs*	

HAZCOM/GHS

GHS Safety Data Sheets for Construction	Hazard Communication in the Hospitality Industry*
GHS Safety Data Sheets in the Laboratory	HazCom: GHS Container Labels
Hazard Communication in Auto Service Facilities	HazCom: GHS Safety Data Sheets (SDS)
Hazard Communication in Cleaning and Maintenance Facilities	HazCom: Introduction to Hazard Communication & GHS
Hazard Communication in Construction Environments	HazCom: What You Need to Know* **
Hazard Communication in Healthcare Facilities*	

HAZMAT SAFETY

Hazmat: General Awareness — Spanish	Hazmat: Placarding
Hazmat: General Awareness Training	Hazmat: Reporting an Incident
Hazmat: Highway Transportation Driver Training*	Hazmat: Safety Training
Hazmat: Labeling	Hazmat: Security Awareness Training*
Hazmat: Loading / Unloading & Load Segregation	Hazmat: Shipping Papers
Hazmat: Marking Hazmat: The Hazmat: Packaging	Hazmat: Hazardous Materials Table

Online Training: Safety Topics (cont.)

HAZWOPER

HAZWOPER: Chemical Fundamentals	HAZWOPER: Refresher for Emergency Responders — Chemical Fundamentals
HAZWOPER: Confined Spaces	HAZWOPER: Refresher for Emergency Responders — Decontamination
HAZWOPER: Decontamination	HAZWOPER: Refresher for Emergency Responders — Emergency & Post-Emergency Response Procedures
HAZWOPER: Electrical Safety & Lockout/Tagout	HAZWOPER: Refresher for Emergency Responders — Emergency Response Planning
HAZWOPER: Emergency & Post-Emergency Response Procedures	HAZWOPER: Refresher for Emergency Responders — Exposure Monitoring & Sampling
HAZWOPER: Emergency Response Planning	HAZWOPER: Refresher for Emergency Responders — Hazardous Substance Recognition & Identification
HAZWOPER: Exposure Monitoring & Sampling	HAZWOPER: Refresher for Emergency Responders — Medical Program HAZWOPER: Fire Prevention & Protection
HAZWOPER: Handling & Shipping Drums & Containers	HAZWOPER: Refresher for Waste Site Workers — Air Monitoring & Medical Program
HAZWOPER: Hazardous Substance Recognition & Identification	HAZWOPER: Refresher for Waste Site Workers — Emergency Response & Decontamination
HAZWOPER: HazCom, Hazmat, & Hazardous Waste	HAZWOPER: Refresher for Waste Site Workers — Hazard Recognition
HAZWOPER: Health & Physical Hazards	HAZWOPER: Refresher for Waste Site Workers — Introduction to HAZWOPER
HAZWOPER: Medical Program	HAZWOPER: Refresher for Waste Site Workers — PPE & Other Hazard Control Measures
HAZWOPER: Overview for Waste Site Workers	HAZWOPER: Respiratory Protection
HAZWOPER: Personal Protective Equipment & Clothing	HAZWOPER: Site Control Measures
HAZWOPER: Radiation & Biological Exposures	HAZWOPER: Temperature Extremes
HAZWOPER: Refresher for Emergency Responders – Personal Protective Equipment & Clothing	HAZWOPER: Written HAZWOPER Plans & Programs

HR AND LEGAL COMPLIANCE

Active Shooter / Active Threat: How to Survive	Global Anti-Corruption*
Active Shooter / Active Threat: Organizational Preparedness & Recovery	HIPAA Privacy and Security
ADA for Supervisors	Information Security
Americans With Disabilities Act – Title II	Managing within the Law — Basics
Antitrust Essentials	Preventing Discrimination & Harassment for Employees (Canada)
Appropriate Email & Internet Use	Preventing Discrimination & Harassment for Employees (Maine)
Avoiding Insider Trading	Preventing Discrimination & Harassment for Managers (California)
Avoiding Retaliation	Preventing Discrimination & Harassment for Managers (Canada)
Code of Conduct	Preventing Discrimination & Harassment for Managers (Connecticut)
Conflicts of Interest	Preventing Discrimination & Harassment for Managers (Maine)
Customer Proprietary Network Information (CPNI)	Protecting Trade Secrets
Diversity & Discrimination for Employees	Responsible Social Media Use
Diversity & Discrimination for Supervisors	Sexual Harassment Prevention — Module 1: What is Sexual Harassment?*
Diversity & Inclusion (coming soon)	Sexual Harassment Prevention — Module 2: Civility in the Workplace*
Drug-Free Workplace	Sexual Harassment Prevention — Module 3: Taking Action*
Effective Communication for Employees	Sexual Harassment Prevention — Module 4: Addressing Harassment*
Effective Communication for Supervisors	Sexual Harassment Prevention — Module 5: What Happens Next?*
Ethics and Compliance Essentials	Sexual Harassment Prevention — Module 6: Additional Management Responsibilities*
Fair Labor Standards Act (FLSA)	Substance Abuse Training for Employees
Family Educational Rights and Privacy Act (FERPA)	Substance Abuse Training for Supervisors
FMLA for Supervisors	Team Building for Employees
Foreign Corrupt Practices Act (FCPA)	Team Building for Supervisors
Global Anti-Corruption*	U.S. Export Controls
HIPAA Privacy and Security	Wellness & Fitness
Family Educational Rights and Privacy Act (FERPA)	Workplace Bullying and Violence: Training for Employees
FMLA for Supervisors	Workplace Bullying and Violence: Training for Supervisors
Foreign Corrupt Practices Act (FCPA)	Workplace Stress

LABORATORY SAFETY

Electrical Safety in the Laboratory	OSHA Formaldehyde Standard
Flammables and Explosives in the Laboratory	Planning for Laboratory Emergencies
Handling Compressed Gas Cylinders in the Laboratory	Preventing Contamination in the Laboratory
Laboratory Ergonomics	Safe Handling of Laboratory Glassware
Laboratory Hoods	Safety Showers and Eye Washes in the Laboratory
Orientation to Laboratory Safety
